

Home Inspections

Intermountain Inspection Services Inc. knows it is important for you to know everything possible about the new home you are about to buy. We have always invited our customers to attend our home inspections. By attending the home inspection in person, we will give you first hand knowledge of any problems or issues that will need to be dealt with immediately. The time spent during the inspection will also allow you the opportunity to measure for furniture, fridges, washer & dryers, TVs etc;.
